White House Doesn't Allow Rabb To Talk

Aide Was Requested
To Testify In Probe
Into Corsi Issues

WASHINGTON, April 22 (AP)—The White House refused today to let presidential aide Maxwell Rabb testify in a Senate inquiry into the firing of Edward Corsi as a State Department immigration adviser.

Corsi himself got in another blast at his critics and said the real issue "concerns the integrity of the public service in Washington—whether a man called to public service can be kicked around with impunity."

That rang down the curtain, temporarily and perhaps permanently, on a hearing by a Senate Judiciary subcommittee on Corsi's ouster and the handling of the program to let some 214,000 refugees enter the United States.

Corsi Was Fired
A prominent New York Republican, Corsi was fired after a 90-day career as special assistant to Secretary of State Dulles on immigration affairs. He has said it was Rabb who first approached him about the job and told him the refugee immigration program needed pushing.

As a result, the subcommittee invited Rabb to testify. Rabb is secretary to the Cabinet and an assistant counsel to President Eisenhower.

Presidential press secretary James C. Hagerty told reporters: "The White House believes that confidential assistants to the President should not testify in regard to confidential matters in the White House offices or between the departments in the executive branch of the government."

So the subcommittee went ahead with five other witnesses, winding up with Corsi.

With reference to Rabb's non-appearance, one subcommittee member, Sen. McClellan (D-Ark.), told reporters he saw no need for additional witnesses as, "I think we've got the whole story."

Sees No Evidence
Except for "wild statements" by Corsi, McClellan said, he has seen no evidence that the refugee program has been sabotaged.

"I've seen nothing to indicate they are not in good faith trying to administer the law," he said.

Mock City Will Be Destroyed In A-Test Tuesday

LAS VEGAS, Nev., April 22 (AP)—A mock city will be blasted by next Tuesday's atomic explosion. Preparations are already well under way for the big civil defense test shot, to be set off before dawn atop a 500-foot tower on Yucca Flat.

Houses, industrial-type buildings, shelters, utility installations, food, trailers, vehicles, petroleum storage tanks—all manner of structures and articles involved in civilian daily life—are being spread across the desert at varying distances from the shot tower.

Evaluation of the effects of the blast, and what can be done to save lives and property, are the principal purposes of this test designed particularly for the Federal Civil Defense Administration.

A military phase will be the placing of tanks at about 3,500 yards from the blast and movement of the tank battalion into the blast area as a post-detonation maneuver.

News, radio and television men who will cover the test are arriving. There will be approximately 1,500 observers in all.

Presumably the device to be detonated will exceed in force a nominal A-bomb such as that which devastated Hiroshima in World War II. A nominal bomb is equivalent to 20,000 tons of TNT. This will be the 14th test, including one high-altitude nonatomic burst, of the 1955 series which began Feb. 18.

Allocation Plan For Vaccine Seen

Advisory Committee Sought
For State-By-State Program

WASHINGTON, April 22 (AP)—A government-sponsored conference today recommended that President Eisenhower appoint an advisory committee to promote a voluntary state-by-state allocation plan for Salk polio vaccine, without any federal control.

The proposed system would apply only to vaccine that will be available commercially for use by private physicians or by states and local communities for charity cases. It would not affect supplies already destined to the National Foundation for Infantile Paralysis in its projected free vaccination of nine million first and second grade school children.

Enough Vaccine Available

This action came after it was disclosed that by Aug. 1, enough vaccine will be available to give two-shot vaccinations to all children under 10—the most susceptible age group.

And, while a third "booster" shot is required for maximum protection, Dr. Hart Van Riper of the National Foundation said these would not be needed before next February or March, when vaccine should be procurable by a doctor within a short time.

Today's conference of government, medical, vaccine manufacturing and other officials recommended that the President appoint a committee to do the following:

Set up a distribution system whereby: 1. allotments would be made by manufacturers to states on the basis of populations in the 1 through 19 age groups; 2. state health departments, the drug industry and medical societies within each state group, and 3. distribution priority would also be given for states affected earlier by polio than others.

The states would set up their own committees to actually run the plan.

Headed By Keefe

The national committee would be headed by Dr. Chester Keefe, a top assistant to Health and Welfare Secretary Oveta Culp Hobby. It would include representatives of general practitioner doctors, pediatricians, the American Medical Assn., state public health associations and the pharmacy industry.

This committee would receive regular information from the vaccine manufacturers on their distribution plans to various states and "suggestions" would be made as to increasing or decreasing supplies, if needed.

The conference also recommended that a second national committee, made up of virus experts, be set up to make a continuing study of the most effective ways of utilizing the vaccine.

After the conference, Dr. Van Riper told reporters the proposed system "will in no way affect" the supplies of vaccine for which the foundation has made commitments for the two-shot vaccination of all first and second graders.

Van Riper said the two-shot dose "will give as much protection as was given in the field trials last year" with three doses. (80 to 90 per cent effectiveness in preventing paralytic polio was indicated in the field trials.)

But Van Riper said Dr. Jonas Salk, developer of the vaccine, "feels more secure" if a third "booster" dose is given no earlier than seven months after the initial two, which are given two to four weeks apart under his plan.

This third shot, Van Riper said, could be given "any time before the next polio season."

Bordo Islanders Prepared To Battle Danish Police

THORSHAVN, Faeroe Islands, April 22 (AP)—Revolutionary spirit flared high on Bordo Island tonight as defiant islanders braced for battle against a Danish police expeditionary force.

Harpoons, boathooks and shotguns were mobilized to repel 120 tough Copenhagen riot police ordered to land Monday and remove the island doctor.

Radio orders went out to all trawlers and cutters owned by Bordo fishing companies to return to their home port, Klaksvig, chief town of the Danish island situated in the North Atlantic between Iceland and the Shetlands.

The small vessels probably will be anchored bow-to-stern to block the harbor entrance.

The Klaksvigers celebrated today with singing and dancing in the streets their victory yesterday over government officials who wanted to remove Dr. E. Halvorsen as district doctor, a post he has held unlawfully for two years.

All those among the 2,600 islanders who opposed the organized resistance were pushed and jeered.

Brownell Says Demos Regime Aided Gangsters

DALLAS, Tex., April 22 (AP)—Atty. Gen. Brownell charged tonight that gangsters waxed rich in the labor union field under the previous Democratic administration.

"This was due to 'lack of enforcement' of antiracket laws," Brownell said in an address prepared for an annual Lawyers Week meeting here.

He said that at his request, the FBI since the start of 1953 has undertaken some 1,400 investigations of reported labor racketeering "and is continuing to open new cases at the rate of approximately 50 per month."

Drawing a comparison between widespread prosecutions launched in the last two years, and the record of the Democratic administration for eight previous years, he asserted:

"The lack of law enforcement in this area was an open invitation to hoodlums and gangsters to infiltrate and to capture control of the business on the one hand, or of the labor organization on the other, or both."

"Whenever and wherever this happened, it was always accompanied by ruthless extortions from business and exploitation of the union rank and file for the personal enrichment of those in control. The interests of the public were disregarded and the legitimate interests of both labor and business were sacrificed."

He explained that the principal weapons available to the Justice Department are the 1934 Hobbs anti-racketeering statute and section 186 of the 1947 Taft-Hartley law covering bribery of union officials by crooked employers. He said that "not a single criminal case charging violation of the anti-racketeering statute was filed in the years 1945, 1946, 1947, 1948 and 1949 and that 'the department's records of prosecutions under section 186 show not a single criminal case filed in the years 1947, 1950, 1951 and 1952.'"

Fire Destroys Two Niagara Boats

NIAGARA FALLS, Ont., April 22 (AP)—Fire today destroyed the two Maid of the Mist cruise ships known to hundreds of visitors to this honeymoon resort area. The owner estimated the loss at \$350,000.

The ships plied from docks on either side of Niagara River to the base of the famed Horseshoe Falls, then sailed down the river almost to Rainbow Bridge.

They had been due to start summer operations early in May, carrying about 50 persons per trip.

A welder's torch was blamed for the blaze, which left only the hulls intact.

Cave-In Fatal To One

Emergency hospital stewards push oxygen mask to face of Andrew Seher, 37, as rescuers dig to free him from sewer ditch that caved in on three men yesterday in Spokane, Wash. Seher was brought out alive but Ernest Nelson, 37, being worked on in the background, died enroute to a hospital. George Porter, at right, was partially buried, but escaped unhurt. Seher and Nelson were completely covered by sand and clay when the eight-foot ditch suddenly collapsed from rains and softened dirt.

Stocks Margin Is Hiked 10 Per Cent

WASHINGTON, April 22 (AP)—The Federal Reserve Board tonight raised the required down payment on stocks from 60 to 70 per cent, effective tomorrow.

This boost in margin requirements was the second this year. On Jan. 4, the board raised the minimum from 50 to 60 per cent.

A 70 per cent margin requirement requires the buyer of a stock to put up 70 per cent, or more, cash in making the purchase, and limits him to 30 per cent or less credit. The requirement also applies to short sales.

The board action follows continued sharp increases in the use of credit in the booming stock markets. The credit increase has continued despite the 10 point rise in the margin requirement Jan. 5.

During the first three months of this year Federal Reserve member bank loans to brokers and dealers in New York and Chicago increased by an average of \$4 million dollars a month. But in the first three weeks of April they shot up by 186 millions, concurrently with a new sustained advance in stock price levels.

On April 20 such loans stood at \$1,957,000,000, the highest level ever reached since records of loans to brokers and dealers have been kept, beginning in 1938.

The amount owned by customers to brokers and dealers on margin accounts also stood at a modern high of \$2,652,000,000 at the end of March.

This was the highest level since records of customers' indebtedness to brokers have been kept, beginning in 1931.

These two factors showed a sharp and sustained rise in credit extended by banks to brokers to help their customers finance on-the-cuff stock market transactions, and a large and sustained increase in borrowing by the customers from brokers.

The Reserve Board acted in January after a similar increase, during the last half of 1954, in indebtedness for stock market dealings. The 10-point increase in the margin requirement slapped on then failed to stem the rise in credit, however, and the Reserve Board stepped in again today.

Trains Collide, 20 Persons Hurt

CLEVELAND, April 22 (AP)—A fast passenger train from Pittsburgh piled into a line of steel-loaded boxcars stalled on Pennsylvania Railroad tracks in Suburban Bedford today.

Passengers on the speeding train, the Morning Steeler, were knocked off their feet or jarred in their seats. Police reported about 20 persons were injured, 11 requiring hospitalization. All but three were released after treatment.

Pennsylvania Railroad spokesmen could not immediately explain why 17 box cars were parked on the main line track. An investigation was launched.

Carreening into the end freight car, the Morning Steeler's Diesel engine bounced up, slicing the boxcar's steel roof and slamming into the next car in line.

The impact crumpled one of the train's four day coaches and a dining car.

Wrecking crews cleared the track in about four hours and Pennsylvania officials said the road's schedule would not be held up by the accident.

Police said the train, carrying 75 passengers, was traveling west on an eastbound track because parts of the westbound track were being repaired. Railroad spokesmen said single-track operations were going on from Hudson, Ohio, past Bedford.

Greek Film Star Gets MGM Contract

ROME, April 22 (AP)—Irene Papas, Greek film actress whose name once was linked with Prince Aly Khan, has been signed to a Hollywood contract.

Metro-Goldwyn-Mayer announced here today the 26-year-old, dark-eyed beauty has been given a seven-year contract and will leave for the United States immediately.

W. Germany Gets Long-Awaited Freedom May 5

BONN, Germany, April 22 (AP)—West Germany gets her long-awaited sovereignty on May 5 and will formally enter the Atlantic Alliance four days later.

A government spokesman announced this timetable today after French Foreign Minister Antoine Pinay disclosed France will deposit the Paris rearmament treaties on May 5. The British Foreign Office later announced Britain will act the same day. That will be the last formality needed to end the 10-year occupation and allow West Germany to rearm.

The treaties, signed in Paris last Oct. 23, permit the raising of 500,000 West German soldiers, sailors and airmen for Western defense.

The United States and West Germany have already deposited in Bonn the two key treaties ending the occupation and allowing the Western Allied troops now in Germany to remain as defense forces.

Troops Are Moved Under Truce Plan

SAIGON, South Viet Nam, April 22 (AP)—Vietnamese national troops and Communist-led Vietminh forces started large scale movements today into areas assigned them under the Geneva truce agreement.

The Vietnamese began reoccupying the Binh Dinh area in central Viet Nam, last zone south of the 17th parallel held by the Vietminh. Vietminh forces moved into part of the Haiphong zone, the last French-controlled area in North Viet Nam.

The operations will be completed by May 16 under direction of the International Armistice Control Commission. The Geneva agreement which ended the Indochina war set the 17th parallel as the dividing line between the Communist North and free South Viet Nam.

Mrs. Roosevelt Advises Caution In UN Changes

WASHINGTON, April 22 (AP)—Mrs. Eleanor Roosevelt advised the government today to wait until the world settles down a bit before pushing for any changes in the United Nations charter.

"I doubt that at the present we could improve the charter by a full dress revision conference," President Roosevelt's widow told a Senate Foreign Relations subcommittee which is studying the problem.

As an alternative at this time, Mrs. Roosevelt suggested setting up a special committee within the U.N. to study the 10-year-old charter and recommend changes for consideration in easier times.

The U.N. General Assembly will decide this fall whether to call a revision conference. With the Eisenhower administration favoring such a meeting, the Senate group is sounding public opinion on the question of charter changes.

2 Second-String Reds Convictions Upset By Judge

NEW YORK, April 22 (AP)—Turnabout witness Harvey Matusow's "propensity to lie" today upset the conviction and imprisonment of two of the nation's second-string Communist leaders. Sentences of 11 others were allowed to stand.

A new trial was ordered for the pair—Alexander Trachtenberg, 68-year-old Communist party educator, and George Blake Charney, 47, Red trade union secretary for New York. Both are Russian-born.

Matusow spent eight days on the witness stand at their 1952-53 trial. Without his perjured testimony, trial Judge Edward J. Dimock ruled, Trachtenberg and Charney might never have been convicted of conspiring to teach and advocate the violent overthrow of the government.

Federal Judge Dimock, in granting a new trial, called Matusow a liar coming or going or both—when he testified as an anti-Communist witness at the trial and later when he recanted the testimony and joined in the Reds' plea for a new trial.

"Matusow is a completely irresponsible witness," Judge Dimock added in a scathing denunciation of the stocky, 28-year-old perjurer, who helped the government place the Red brand on numerous targets.

Judge Dimock cleared the government's trial attorneys—including Roy J. Cohn—of Matusow's charge that they egged him into perjury to nail down a conviction. It was Matusow's own idea, Judge Dimock said. The worst that can be said of the prosecutors, the judge added, was that they were "credulous"—too ready to accept Matusow's testimony.

Judge Dimock said he let the verdicts against the 11 other Communists stand because he felt they would have been convicted even without Matusow's testimony.

West German Flag To Be Flown By U. S.

STUTTGART, Germany, April 22 (AP)—West Germany's black, red and gold national flag will be flown alongside the American flag at U. S. military posts in the Bonn Republic after it becomes a sovereign state next month.

Col. I. G. Bolt, commander of the Stuttgart military area, said also that the West German national anthem, "Deutschland ueber Alles," will be played with the "Star Spangled Banner."

DAR Is "Cool" When Ike Fails To Visit Delegates

WASHINGTON, April 22 (AP)—President Eisenhower sent a message of regret today that he and Mrs. Eisenhower could not visit the convention of the Daughters of the American Revolution. The DAR reaction lacked something in warmth but the delegates later adopted a resolution expressing "deep appreciation."

All week the Daughters had been looking forward to a presidential visit. Eisenhower addressed them last year and this year's program said the Eisenhower had accepted an invitation.

Bernard Shanley, secretary to the President, brought the brief White House message.

Introduced by Miss Gertrude Caraway, president general, Shanley told the convention, "I have worked for a good many years in the vineyards and have seen to it that the ladies in and out of our party organization

throughout the country receive the complete recognition to which they are entitled."

Then he said he brought disappointing news and read the two-paragraph note.

It expressed regret that "circumstances have not permitted Mrs. Eisenhower and me to join" in the DAR session. And said the President knows the delegates "will return to your homes across the nation strengthened in their devotion to the principles on which the Republic is founded."

There was a moment of silence followed by applause that could be described as somewhat subdued.

Miss Caraway on behalf of the convention thanked Shanley for taking time to come to the convention. She expressed disappointment by repeating a statement she made last night that the President's affairs of state are "far more important than coming to greet the DAR."

West Requests Russia To Join In Conference

Envoys Would Meet
May 2 To Discuss
Austrian Treaties

WASHINGTON, April 22 (AP)—The Western Allies paved the way today for a foreign ministers meeting with Russia this spring and summer, aimed at restoring Austria's independence and Germany's unity.

The United States, Britain and France asked the Soviet Union in a formal note to join in a meeting of ambassadors May 2 in Vienna "to reach the necessary agreements" on an Austrian treaty.

This, the note said, could lead to "early signature of the state treaty by the foreign ministers." The pact would free now-occupied Austria.

Preparations Are Begun

It was disclosed in London and confirmed in Washington that technical preparations—such things as time, place and agenda—are about to begin in earnest for a meeting of broader scope.

The London report said a committee of diplomats would begin meetings next Wednesday to prepare for a foreign ministers session on German reunification and general East-West tension in Europe. The State Department said it was not sure about the precise date but that such a move was in immediate prospect.

What it all boiled down to, apparently, was that the Big Four foreign ministers would meet early in June to sign an Austrian state treaty. Depending upon the state of the cold war, they could go shortly thereafter into broader discussions.

The Big Three note was in response to a Soviet call for a foreign ministers conference on Austrian independence. The Western powers suggested that first the ambassadors should meet with Austrian representatives in Vienna May 2. The note continued:

Date Will Be Set

"As soon as the necessary preparations have been completed, the earliest practicable date should then be set for the foreign ministers to meet and sign the treaty." The "earliest practicable" time appeared to be early June. May will be largely given over to a North Atlantic Treaty Organization meeting at Paris, Italian government inaugurations and British elections.

Of course, the foreign ministers' meeting on Austria could shift into consideration of German reunification and other European issues. This is provided for under the 1945 Potsdam agreement which established a "Council of Foreign Ministers," made up of the Big Four plus China's foreign minister, to consider peace settlements and "other matters."

Syrian Officer Is Assassinated

DAMASCUS, Syria, April 22 (AP)—Pistol shots that sounded above the tumult of a Syrian-Egyptian soccer game today killed a politically minded Syrian army officer, Col. Adnan Malki, high in a balcony of the grandstand.

A deputy chief of staff who played a major role in the military coup of February 1954 which ousted Col. Adib Shishkely as Syria's dictator, Malki got three bullets in the back.

Witnesses said the assassin, officially identified as Youssef Abdul Rahim, then killed himself.

Whether the motive concerned politics, athletics or something else was not disclosed. Malki, 37, recently became engaged to marry a Lebanese girl from Sidon, Lebanon.

The soccer game—pitting a Syrian army team against Egyptian coast guardsmen—had run 25 minutes when the shooting came. The game was stopped immediately. The Syrian radio station, which was broadcasting a play-by-play account, cut its program.

Malki attended the game with Col. Shawkat Shukair, the Syrian army's chief of staff, and Brig. Mahmud Riad, the Egyptian ambassador to Syria, the witnesses said. Other high officers and Egyptian Embassy staff members sat with them in the balcony.

THRIFT BALCONY DRESSES

Sewell Avery Keeps Control Of M-Ward

CHICAGO, April 22 (AP)—Sewell Avery's tight grip on Montgomery Ward and Co. slipped a bit today, but not enough to lose control.

In a five-hour annual meeting and angry disputes, stockholders of the big mail order company cast their votes for directors to serve the next year.

And Louis Wolfson, who had challenged Avery's control, admitted he didn't have enough votes to elect a majority. But he said he'd try again next year.

"We came in here with three directors and everything depended upon what happened here," Wolfson said. "It looks as if they (the Avery management) will win."

After the meeting Avery said his management had retained control of the company with more than 70 per cent of the stockholders' votes.

"I am very grateful to the stockholders for their expressions of confidence," he said. Outside of the holdings of his own group, Mr. Wolfson received only a small minority vote, Avery said.

Wolfson's side claimed they won three directorships and their opponents won six. Avery's management said it won seven and Wolfson two.

All nine of Ward's directors were up for election. To gain control a majority of five was needed. Directors elect the chairman. Heretofore, all directors have been pro-Avery.

Asked if he thought he'd win next year, Wolfson replied, "It's a cinch after what I've seen here today."

Throughout the day, while the voting was going on, Wolfson supporters threw question after question at Avery. On many occasions Avery said he could not hear the questions.

Asked if he planned to retire Avery replied, "If I am undesirable I will step down very readily. If I am considered unworthy of the job I will cheerfully retire."

Purpose of the questioning appeared to be to prove Avery was not fit to run the company.

This statement asked if banks and trusts voted for the Avery slate "knowing that it was spearheaded by a gentleman whose vigor of mind and body was open to serious question, as evidenced by this meeting."

The meeting recessed until May 13, when the inspectors of elections will bring in a preliminary report on the total vote cast. Avery was still presiding at the end of the five-hour session.

Bowles Favors Third Party

DOVER, Del., April 22 (AP)—Bryant W. Bowles, who is fighting to keep schools segregated, said today he would organize a third political party in Delaware because existing parties are trying to "destroy everything the white citizens of Delaware stand for."

He said in an interview he believes 20,000 citizens are ready to join a third party and predicted he could get another 20,000 names.

Only 750 voters have to sign petitions to put a party on the Delaware ballot—250 voters from each of the state's three counties.

Among his seven planks, Bowles said is one to "oust all internationalists from the shores of America."

Another is to "return the public schools to the people who built them."

He also would "break up monopolies now being held by certain people in various state agencies."

The ex-Marine heads the National Association for the Advancement of White People. He now lives in Houston, Del., near Milford. He calls Houston national headquarters for the NAAWP.

Bowles has appealed convictions in Common Pleas court on charges of violating the Delaware School laws last September in connection with a student strike and disorders at Milford High School.

Fined \$600, he was accused of advising parents to keep their children out of the school until 11 Negro pupils were removed.

State Heroes May Get Monument

WASHINGTON, April 22 (AP)—Some 256 Maryland heroes of the Battle of Brooklyn may one day have a national monument to mark their final resting place.

A Senate Interior subcommittee took up proposed legislation on the issue today. Sens. Butler and Beall, Maryland Republicans, have introduced a bill aimed at building such a monument in Brooklyn.

Committee discussion, however, disclosed there's some doubt of just where in Brooklyn the Free Staters are buried. One solution suggested was to have archaeological investigations to determine the exact location.

Slain Lawyer's Wife Accused In Bomb Plot

PORTLAND, Ore., April 22 (AP)—First-degree murder complaints were filed late today against an electrician and the wife of a Portland attorney killed in the bombing of his car at a country club last midnight.

Charged in the slaying of Oliver K. Smith, 35, were Victor Laurence Wolf, 45, and Mrs. Marjorie Smith, 30.

Dist. Atty. William Langley said Wolf signed a confession that the slaying had been plotted by him and Mrs. Smith for several months.

Mrs. Smith denied any part in the slaying, Langley said.

The two had been questioned since early morning after a ripping blast in the car, parked at the Columbia-Edgewater Country Club, killed Smith.

Langley quoted Wolf, a railroad electrician, as saying the plot was laid after Mrs. Smith and the attorney were divorced in August 1953.

The district attorney said Wolf, in his confession, related these details:

Wolf and Mrs. Smith decided that she should remarry the attorney and kill him for \$20,000 worth of insurance he carried.

The Smiths were remarried last February and in March, Wolf tried to do away with Smith by assaulting him in the family garage.

Later, he obtained from a friend in the State of Washington eight sticks of dynamite, which he used in the bombing. He purchased a gun last week but could not get up the courage to use it so he decided on the bombing.

Holger Christofferson, sheriff's chief criminal deputy, said a pair of burned, dangling wires in the demolished car provided a vital clue. Wire found in Wolf's car matched the type, he said, although for a time the electrician denied knowing how it got there.

The burned and dangling wires were attached to the magnetic coil of Smith's car so as to set off the bomb as he stepped on the starter.

Nehru Blasts Soviet, Western Policies As Wrong

BANDUNG, Indonesia, April 22 (AP)—Prime Minister Nehru told the Asian-African conference today both the Soviet and Western blocs are wrong, pursuing policies that "are leading us to the brink of war."

The 14-nation North Atlantic Treaty Organization, came in for special condemnation. The Indian nationalist leader called it "one of the most powerful protectors of colonialism, though it was created for self-defense."

"The only way to bring peace into the world is to reduce the area of tension through coexistence," he said.

Nehru's speech today put him on record as opposing both NATO and SEATO, the Southeast Asia collective security organization. The United States has taken the lead in pushing both as bulwarks against Communist expansion in opposite parts of the world.

HAPPY ENDING—A boy and his dog are reunited as Paul Kish, 14, feeds lollipops to his pet, Jenny, at his Lowell, Mass. home. Jenny fell into the flooding Merrimack River and Paul tried to rescue the dog from a makeshift raft Thursday. Paul tumbled into the river and was saved by the heroic action of three policemen. Jenny drifted downstream and returned home late, wet and bedraggled but safe.

Masked Ex-Mental Patient Accepts Gov. Proclamation

BALTIMORE, April 22 (AP)—Wearing a mask, a young college woman who is an ex-mental patient accepted from Gov. McKeldin today a proclamation designating May 1-7 Mental Health Week in Maryland.

The unidentified young woman helped kick off a drive for funds by the Mental Hygiene Society of Maryland.

She introduced herself to the governor as a Baltimore college student whose education had recently been interrupted by 6 months of treatment at Spring Grove State Hospital.

She said she wished she didn't have to appear masked.

"Having once been mentally ill I know from my own experience the stigma society attaches to the diseased and its victims who are too often punished for their illness by ostracism and neglect as though it were a crime."

"I wear this mask in order to protect my family and to call the attention of the Maryland people to the sometimes desperate need of those who were once my companions in the hospital."

The young woman expressed hope the day might soon come when another ex-patient might stand in her place "and accept such a proclamation as this with the mask I now wear."

Gov. McKeldin called upon Marylanders to contribute generously to the mental health fund "thus helping to combat mental illness by supporting research, new drugs and other services to Maryland mentally ill, expansion of mental hygiene clinic service and education for mental health."

The fund drive will be conducted throughout May. Chairmen are A. Olin Grimes of Westminster and Fred P. Adkins of Salisbury. Richard F. Cleveland of Baltimore is treasurer and Mrs. George D. Olds of Easton is special gifts chairman.

China Officials Say U. S. Makes No Hint On Islands' Defense

TAIPEI, Formosa, April 22 (AP)—High officials of Nationalist China said today the United States at no time has so much as hinted the government should yield the offshore islands of Quemoy and Matsu in the interests of peace with Red China.

They said, furthermore, if such a suggestion is being brought here by Adm. Arthur W. Radford and Walter S. Robertson, Far Eastern specialist of the U. S. State Department, it is to be regarded in advance as "absurd . . . ridiculous . . . unthinkable . . . impossible."

Adm. Radford, chairman of the U. S. Joint Chiefs of Staff, and Robertson are due Sunday for talks with President Chiang Kai-shek.

To See Atom "Shot"

PIKESVILLE, Md., April 22 (AP)—Sixteen observers from Maryland are scheduled to witness the "open shot" test of a nuclear weapon April 26 in Nevada, State Civil Defense headquarters reported.

CD officials have said the test will be the most comprehensive so far in providing the public and Civil Defense workers with knowledge to help train them for any type of air attack.

Among CD officials invited to the test is Elmer Seaber of Cumberland.

Kathryn Lawlor Appointed Judge In Montgomery

BALTIMORE, April 22 (AP)—Mrs. Kathryn J. Lawlor, Montgomery County lawyer and Republican leader, today became the first woman ever appointed a circuit court judge in Maryland.

Gov. McKeldin named Mrs. Lawlor to the Sixth Judicial Circuit bench, succeeding Chief Judge Charles W. Woodward whose retirement became effective yesterday.

The wife of a lawyer and a practicing attorney herself since 1937, Mrs. Lawlor is president of the Montgomery County Federation of Republican Women, a member of the Montgomery County Council and a former member of the House of Delegates.

Mrs. Lawlor, who practices in Silver Spring, will serve on the bench by appointment until 1965 when Judge Woodward's 15-year term would have expired.

A native of Lawrence, Mass., Mrs. Lawlor was educated in Hollywood, Calif. schools and was married in 1928.

The mother of two children, she spent the first 15 years of her marriage traveling with her husband who did trial work in courts of the 48 states.

They moved their home to Maryland in 1933, the year she decided to become a lawyer herself. Mrs. Lawlor was graduated from the Washington School of Law of American University in 1936.

She was admitted to practice before the U. S. District Court in Washington in 1937, the District Court of Appeals in 1937, the Maryland Court of Appeals in 1942, the U. S. Supreme Court and the District Court for Maryland in 1948.

She helped organize the Montgomery County Council and served as a member from 1950 to 1952.

Estes Ordered Jobless Pay For Vacationers

BALTIMORE, April 22 (AP)—A Department of Employment Security official said today it was John L. Estes, resigned member of the State Employment Security Board, who ordered payments of unemployment compensation to 100 vacationing Hagerstown workers last year.

An order from Estes, Cumberland labor leader, reversed a ruling by another department official that the Hagerstown's Fairchild Aircraft plant workers were not entitled to full benefits.

Stephen C. Cromwell, the department's director of unemployment compensation, was the official who named Estes.

Cromwell said as a result of Estes' countermanding order some workers drew both vacation pay and unemployment compensation benefits.

Estes, who resigned last week from the board, denied he had ordered the actual payment of the benefits. He said he only ordered the department's Hagerstown office to accept such claims and process them in the normal manner.

Paul Morsberger, chief of the department's benefit section, said he had ruled that the workers were not entitled to the full benefits when the plant closed last Aug. 1 for a vacation period.

He explained that workers got both vacation pay and unemployment benefits in February of 1954 because their layoffs were for an indefinite period of time.

When they were called back several weeks later, Morsberger ruled that any vacation pay they received in February should be deducted from benefits for which they might be eligible in August.

Donald Ebersole, Hagerstown field office head at the time, said Estes told him Aug. 2 that the staff should take all claims because they were going to be paid.

Morsberger said Estes told him next day to pay the claims. Cromwell said there was no question in his mind that he and those under him were being ordered by Estes to pay the claims.

Death

MRS. GORDON BROTEMARKE FROSTBURG — Mrs. Gordon Rank Brotemarke died yesterday afternoon at her home, 400 North Edgewood Drive, Baltimore.

She was a native of Barton, a daughter of the late Alex and Eliza Bradley Meek.

Survivors include a son, J. Lawrence Rank, Frostburg; two sisters, Mrs. Jessie Askey and Mrs. Agnes Harriman, Baltimore; a brother, G. A. Meek, Cumberland, and a stepson and daughter in Baltimore.

The body will be brought to the Durr Funeral Home here late today.

Police Recover Stolen Loot As Boys Confess Burglaries

Three boys, aged 15, 12 and nine years, yesterday confessed to City Police a series of West Side burglaries in the past two weeks.

The statements were obtained yesterday after Detective Donald H. Smith and Officer George E. Pfeiffer picked up the three youngsters.

Police said the boys admitted having broken into West Side School, the Farmers Dairy, the Cumberland and Allegheny Gas Company warehouse, and the local headquarters of the National Biscuit Company. They also admitted having attempted to break into the Pepsi-Cola Bottling Company warehouse at Chase and Paca streets.

Senator Kimble

(Continued from Page 18)

He termed the probe of the department ordered by Governor McKeldin "the first thing to take up."

Senator Kimble said the investigation "must be done" and carried on in addition to the regular duties of the department.

He said he was anxious to have the investigation completed since workers in the department will be operating under a cloud until the investigation is ended.

He said he believes "97 per cent" of the staff of the department is "honest and conscientious" and has been doing a good job.

Plans are being made for a ceremony here May 28 when Senator Kimble takes the oath of office for the six-year term for which he was appointed by Gov. McKeldin.

Today's appointment will be only to complete the term of Daniel E. Klein, of Baltimore, who recently resigned from the \$10,000 a year post.

Sen. Kimble will be honored in Baltimore May 7 at a dinner sponsored by Baltimore labor organizations.

Edward H. Johns, executive secretary of the Baltimore Federation of Labor, said Gov. McKeldin and Mayor Thomas D'Alesandro would be invited to the \$6-a-plate affair.

The Baltimore AFL unit and the local CIO Industrial Union Council will sponsor the dinner in recognition of "Bob Kimble's legislative achievements and service to the people of Maryland," said Johns.

He added the testimonial was conceived "several months ago," before Kimble was named chairman of ESB.

Detective Smith and Officer Pfeiffer recovered all of the stolen loot except milk and soft drinks which the boys had consumed and returned it to the rightful owners.

The youngsters' escapade began two weeks ago when they broke into the school through a ground-floor window. They took two "Davey Crockett" hats, a penknife, model airplane and a slide projector. While there they drank some milk.

Wednesday night the boys had a busy session, they told police, breaking into the dairy through a skylight, the gas company warehouse and entering the biscuit company building through a basement window. They almost got trapped in the basement, Detective Smith said. Their loot included flashlights, small tools, bottles of soft drinks, chocolate syrup and milk shake mix.

The boys were released to the custody of their parents during good behavior.

Auto Fire Brings Out Two Companies

Fire from both Central and South End fire stations responded to Louisiana Avenue and Oldtown Road yesterday afternoon when a fire alarm box was pulled at the same time a telephone reminder of the fire was received.

The blaze turned out to be in the automobile of Mrs. Viola Piper and was out when the firemen arrived about 3:30 p. m. The fire apparently started in the air filter of the carburetor and damage was confined to the filter, firemen said.

Patricia Murray To Become Bride Of J. A. Kauffman

Miss Mary Patricia Murray, daughter of Mr. and Mrs. James M. Murray, 209 Center Street, Frostburg, is to become the bride of John A. Kauffman, son of Mr. and Mrs. M. F. Kauffman, 634 Fairview Avenue, city, today.

The wedding ceremony will be solemnized at 10 a. m. in St. Michael's Catholic Church, Frostburg, with Rev. Regis Larkin officiating. Bouquets of white snapdragons and lilies with candelabra of lighted tapers are being used in the decorations of the church.

Miss Noreen Murray will be her sister's maid of honor, while Miss Clara Kauffman, sister of the bridegroom, and Miss Sally Kilduff, Midland, are the bridesmaids. James Fahey, Cumberland, is to serve as Mr. Kauffman's best man and the ushers will be Charles Cumiskey, Cumberland and James Murray, brother of the bride. Thomas Cumiskey will be vocalist, accompanied at the organ by Mrs. Genevieve Goldworthy, who will play the traditional wedding marches also.

The bride, who will be given in marriage by her father, will wear a gown of white Chantilly lace and tulle. It is fashioned with a lace bodice, with Peter Pan collar and three quarter length sleeves. The very full, floor length, nylon tulle over satin skirt is trimmed with ruffles around the bottom. Her fingertip length, tulle veil is held by a satin bonnet. Completing her costume the bride will carry a white prayerbook with white orchid marker.

Her attendants' gowns are all alike. They are strapless, lace bodices and lace boleros with very full ballerina length full skirts. With them they will wear matching headresses of tiny artificial rosebuds and net bands. They all are carrying old fashioned bouquets of assorted spring flowers. Miss Murray's costume is orchid; Miss Kauffman's Nile green; and Miss Kilduff's, yellow.

Mrs. Murray has chosen a navy blue dress, trimmed in white, for her daughter's wedding. With it she will wear a navy blue hat trimmed in white flowers and a natural orchid. Mrs. Kauffman selected a beige shantung with navy accessories for the wedding. She also will have a natural orchid corsage.

The bridegroom is a graduate of LaSalle High School, class of 1945, and attended Potomac State College. He was graduated from Lynchburg, Va., College in 1952 and is employed on the staff of the Celanese Corporation of America.

Mr. and Mrs. Murray will be hosts at a wedding reception, honoring their daughter and her bridegroom. It is to be held at the Frostburg American Legion Home following the ceremony. The bridegroom will be carried out in the white crepe paper streamers and wedding bells. It will be repeated in the four-tiered wedding cake, adorned with a miniature bride and bridegroom.

For their wedding trip to Florida, the bride has selected a beige suit, made with straight skirt and box jacket. With it she will wear an avocado hat and accessories and her corsage.

Upon their return Mr. Kauffman and his bride will reside at 1040 Myrtle Street, city.

State Home Ec Group To Meet Apr. 30

Miss Ruth McCulley, supervisor of Home Economics departments of Allegany county schools, and Yola Hudson, head of the department at Fort Hill High School, will attend the annual spring meeting of the Maryland Home Economics Association to be held April 30 at the Park Plaza Hotel, Baltimore.

Dr. O. L. Kline, director of research in the division of Nutrition Food and Drug Administration, will be the speaker. He will discuss some of "the food fads and nutrition quackery which beset the consumer, and methods of the administration in trying to apprehend offenders."

The program includes informal modeling of spring and summer fashions, a demonstration, "Wear Flowers as Jewels," and a tour of the harbor.

Election of officers is on the agenda for the afternoon. Miss Margaret Holloway will preside.

Luncheon reservations are to be made with Miss Ruthetta Lippy, Towson before April 25. Those interested in the boat tour are to contact Eleanor McKnight, Baltimore.

Mary Golden Heads PTA Of Corriganville

Officers for the 1955-1956 school year were elected and representatives to attend the spring meeting of the Allegany County Council of Parents and Teachers appointed at the meeting of the Corriganville PTA, Thursday evening.

Mrs. Mary Lee Golden was elected president; Carl Grabowski, vice president; Mrs. Harriett Wolfe, secretary; and Mrs. Betty Werner, treasurer.

A report was read concerning a conference with Robert Pence, to determine recreation possibilities for the Corriganville area during the summer. It was decided to write to the Allegany County Commissioners to investigate the possibility of providing funds to set up a recreation program in smaller communities in the county.

Five members were appointed to attend the spring meeting of the county PT Association, which will be held at Central Elementary School, Lonaconing, May 2. They are Mrs. Walter Harden, Mrs. Chester Crabtree, Mrs. Genevieve House, Mrs. Wolfe and Mrs. Golden.

The date of the May meeting was changed to May 24, at which time Mrs. Julia Gaff will install officers.

An entertainment program was presented under the chairmanship of Mrs. Frances Layman. It consisted of several piano selections by Deloris Rowley, senior at Fort Hill High School; vocal numbers by a quartet from Beall High School, composed of Robert Harris, Thomas Jacobs, James Dixon and William McKay; and Peck Mills, vocal instructor, presented two of his pupils, Stanley Abrams and Rosalie Ferni, who sang, accompanied by Mr. Mills.

Concluding the evening refreshments were served by a committee of mothers from Mrs. Genevieve House's first grade.

Reservations for the turkey supper of the Women's Association of First Presbyterian Church, April 28 are to be made tomorrow.

Secrets Of Charm

by John Robert Powers

What men like is feminine women. There's no substitute for the basic attraction of genuine femininity. It's as old and reliable as humanity itself.

Femininity has a warmth and emotional quality that we men love in the "real" woman who possesses it. Over thirty years I have been teaching women to make the most of themselves, telling them there is "no such thing as an unattractive woman." I also believe that the most charming (you are welcome; free of charge, to my ten golden rules of charm (see below) girl is the natural one. And, what is more natural for a woman to be truly feminine?

A feminine woman of great charm can give a mediocre party sparkle the minute she walks into a room. She need not be a real beauty nor young. Members of the sterner sex hover around her—she always brings out the chivalrous qualities in them. Other women, who may be much more brilliant

Soroptimists Election To Be May 11, Dinner-Dance Jun. 18

Plans for an installation dinner and dance were formulated at the meeting of the Cumberland Soroptimist Club, earlier in the week at Welsh's Greenhouse, LaVale.

Mrs. Dorothy Klavuhn was named chairman of the dance which will follow the installation dinner on June 18 at the Ali Ghan Country Club.

A report on UNESCO was given by Mrs. Ella Everstine and the club endorsed the selling of UNESCO coupons as advocated by the South Atlantic Region of Soroptimists.

The Freedom Scroll was completed with 21 members having signed and contributed at least \$1 each.

Mrs. Fay Stillwagon presided at the session which 21 attended.

Following the regular business meeting, a special session was held at which the Nominating committee presented the proposed slate for officers for 1955, 1956, and nominations were made from the floor. The slate to be voted upon at the annual meeting on May 11 is, Mrs. Ora Mae Lewis, Miss Olive Hurlburt, president; Mrs. Bessie Hanks, vice president; Mrs. Maxine Hanks, Miss Wanda Lee Hanks, recording secretary; Mrs. Mary Mathews, Mrs. Marjorie Kight, corresponding secretary; Mrs. Margaret Wonn and Mrs. Dorothy Green, treasurer; Mrs. Alberta Lindner, Mrs. Mildred Young and Miss Zana Allison, three year board member; Miss Edna Seifert and Mrs. Grace Herath, two year delegate.

Tellers appointed for the election are Mrs. Helen Johnson, Miss Jeanette Bonig and Mrs. Klavuhn. C. Walter Haschert, manager of the local telephone office, will be guest speaker at the annual meeting to be held at the Cumberland Free Public Library. Mr. Haschert will speak on "Dial Comes to Cumberland."

Miss Hurlburt and Mrs. Jeanette Paxton are representing the Cumberland club at the 42nd regional conference of the South Atlantic Region American Federation of Soroptimist clubs today and tomorrow at Old Point Comfort, Va. The theme of the conference is "The Challenge of Growth."

A tour of Welsh's Greenhouse conducted by Mrs. Catherine Welsh, concluded the meeting. Refreshments were served by the hostess.

The Order of Rainbow for Girls will have initiation at 7 tonight at the temple. Girls are to wear formal gowns.

THE WONDERFUL SHIP

She'll sail with the best of them, because into her fashioning have gone the eager hands of a small boy and the gentle, experienced touch of an old man. Across bright blue water her miniature sails will billow clean and white, and into the eyes of these two will steal a new light of pleasure.

There has been guidance in the making of this boat, the loving guidance of one who has weathered life's storms and gained from them the comfort of experience. And the boy, sensing this experience, is happy in a childlike confidence that this ship... this wonderful ship... can never sink.

It may be that on some brave voyage the little boat will meet disaster, and this lad will learn that material possessions so seldom last. He is also learning to find faith in a ship that is unsinkable. That ship is the Church... and it will carry him through calm seas and storms throughout the voyage of life. Every child should learn early to anchor his life to the Church.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

"Red" Jernell Given Life In W. Va. Penitentiary

Jail Breakers Sentenced By Judge E. A. See

Carr To Serve One To Ten-Year Term

KEYSER — William Leonard Jernell, indicted by the April Grand Jury of Mineral County Court for jail breaking while awaiting sentence on a conviction of stealing bicycles, was sentenced to life in the West Virginia Penitentiary, yesterday by Judge Ernest A. See. Jernell was a three-time loser.

James C. Carr, who broke jail with Jernell while awaiting a hearing for assault and breaking and entering, was also sentenced yesterday to one to ten years in the state pen.

A third man, William Warner Wilson, who figured in the jail break with the other two, has not yet been sentenced. When arraigned in Court several days ago, he refused to enter a plea. Judge See entered a plea of not guilty for him and told Wilson, "You better get rid of the idea that you are a tough guy."

Jernell, age 38, better known as "Red", resided at RFD No. 1, Keyser, and Carr, age 32, resided at 4 Clement Street in Cumberland. Wilson is 33 and resided in the Bloomington area for sometime.

The two sentenced men were recaptured following their jail break, last month, after police received an anonymous telephone tip that they were at the Carr residence in Cumberland. Police in Keyser, Ridgeley, Cumberland along with state police of the two states and an agent of the FBI co-operated in the man-hunt and capture.

The pair was lodged in the City Jail at Cumberland following their arrest, after they were discovered hiding under the house on Clement Street, and later returned to the Keyser county jail.

Jernell received a mandatory sentence of life because he had been convicted three times of a felony. In West Virginia, three convictions label a prisoner a "three-time-loser", or a "habitual" criminal and the state law provides for a lifetime of imprisonment.

Two More Enter Council Race At Piedmont

PIEDMONT—Two more council candidates have filed petitions with Ormond Ledlow, city clerk, for the general election May 9. Elmo Clower of 56 West Harrison Street, last night filed a petition containing 35 names of registered voters. He has been employed as a paper maker at the West Virginia Pulp and Paper Mill Company plant in Luke for the past 42 years. He indicated he would join a slate headed by Rodney Baker, mayor-al candidate.

Sebastian J. Barbarito, 34 West Hampshire Street, filed a petition Thursday containing the names of 25 voters and was the sixth person to be a candidate for that office. He is an independent candidate. Barbarito is employed as an assistant manager of the Westernport American Store.

At the city primary on April 11, Councilman Eugene W. Paxton, was nominated for mayor; W. Garland Cheshire, incumbent, O. D. Collett and Kingsley Skidmore were nominated for the council.

Rodney Baker filed a petition Wednesday for mayor and Ivan Wilson and James Bissett filed with him for commissioner.

Other persons desiring to be a candidate for mayor and the council at the biennial election May 9, must file a petition carrying 25 names or more ten days before the election. The deadline is Friday, April 29, at midnight.

The mayor will be elected for two years and the two candidates for the council receiving the highest number of votes will serve for four years, and the third highest for two years.

Clinic Report Shows Many Keyser Children In Need Of Dental Care

KEYSER—At the annual dental clinic, held this past week in Keyser High School for students in the Eighth, Ninth and Tenth grades, there were 205 girls and 171 boys examined. The clinics were conducted by Dr. C. E. Montgomery, Jr., Bruce O. Snider, Paul Giffin and Donald L. Kiser. At the conclusion of the clinical work, cards were made out and sent to parents of the students apprising them of the dental needs of their children.

Drs. Montgomery and Snider conducted the clinics for girls. There were 74 examinations in this group from the Eighth Grade, 11 of them needing no dental attention, but of the remainder there were 370 cavities discovered and 83 extractions needed.

In the Ninth Grade, 64 girls were examined and seven needed no dental attention, but there were 421 cavities discovered in others, and extractions were recommended for 87 teeth.

In the summary of the three grades, 205 girls' teeth were examined, 30 of whom need no further attention, but 1,201 cavities were discovered and 234 tooth extractions were recommended.

In the boys groups in the three grades as mentioned, 171 examinations were made with 25 needing no dental attention, but 1,050 tooth cavities were found and 93 extractions were recommended.

In the Eighth Grade, 68 were examined with nine needing no dental care, but 458 cavities were discovered that need repair and 37 tooth extractions were recommended.

In the Ninth Grade, 54 boys' teeth were examined, with seven needing no dental attention, and 368 cavities were discovered and recommendations for 37 tooth extractions were recommended.

The Tenth Grade showed that of 49 boys teeth examined, nine needed no attention, whereas cavities were discovered in the remainder

Annual Spring Formal At PSC To Feature Original Theme

KEYSER—The annual Spring Formal, sponsored by Eta Upsilon Sorority, assisted by their brother fraternity, Theta Sigma Chi, will be held tonight in Potomac State College auditorium.

The gala affair will have an original theme, "The Roarin' Twenties." Decorations in accord with the theme have been decided on and a treat and surprise is guaranteed all those attending. Music will be furnished by the Velve-Tones of Cumberland, an aggregation that has won popular acclaim through their appearance at another recent campus affair.

The coronation of the King and Queen of Springtime promises to be the highlight of the evening. Sorority members will choose as king, a member of their brother fraternity, while the fraternity will select one of the Gammas as queen. Announcements of the royal couple will be withheld until the ceremony, which is to take place just prior to intermission.

Committees appointed by Ann Wagner, president of the Gammas, are:

Favors: Elizabeth Power, chairman; Shirley Bishop, Elizabeth Wilmoth and Joan Bess.

Decorations: Dora Flesher, chairman; Jean Mechem, Mary Cunningham and Sharon Goudy.

Invitations: Patricia Shuck, chairman, and Carole Sue Miller.

Valley Boosters Give Support To Many School Projects

LONACONING—The Valley Boosters Club decided on a host of contributions to Valley High School activities at their meeting Wednesday evening.

A donation of \$50 was made to the Valley Art Department, headed by Elmer M. Eide. It was decided to purchase choir robes for the school music department this year.

White sweaters will be adopted as the official award sweater of the Boosters Club with a suitable patch award approved by the Sports committee. The sweaters will be awarded to members of championship teams.

Mrs. Margaret Green, chairman, reported 16 spaces have been purchased for displays by merchants and business houses of the area. Ten-foot square spaces are being sold for booths for the Valley

Boosters Fair to be held on Thursday and Friday, May 12 and May 13, at the Valley gym.

A sports banquet will be planned to honor the soccer, basketball varsity and junior varsity, baseball, track, cheerleaders varsity and junior varsity, and girls basketball team and their faculty sponsor coaches.

The Sports Committee will plan for the banquet to be held in Valley High School cafeteria. A menu will be considered and a program planned at a meeting of the committee to be arranged.

William Brown reported on the Flood control meeting he attended at Frostburg as a delegate from the Boosters Club, and asked publicity and local support be given, that each community will be required to bear part of the expense. A survey of damages of the past will be made in the near future. Estimated cost of the project will be nearly \$2,000,000. An important meeting will be held at the Barton Fire department armory on May 4 at 8 p. m. on the Flood control project.

A special meeting of the Valley Boosters Club will be planned for Tuesday, May 3, at 8 p. m. The Valley Fair this year on May 12 and 13, is expected to draw crowds exceeding last year's attendance.

New Trial Seen In Damage Suits Involving Deaths

Judge Affirmed But Cases Remanded

As a result of a Court of Appeals ruling six damage suits totaling \$260,000 which were filed against a local apartment house owner will come back to Allegany County Circuit Court for trial.

The Court of Appeals upheld Judge Morgan C. Harris in his rulings on demurrers filed in the big suits against Abraham Feldstein resulting from the deaths of three persons. These rulings went against the plaintiffs.

But the court exercised a right rarely used to remand the cases back to Circuit Court in order that the plaintiffs would have a right to present their cases again.

The case has a long history in courts here and in Annapolis.

Six suits were filed by survivors and the administratrix of the estate of victims of an overheated hot water heater in their North Centre Street apartment on November 18, 1952.

Dying of asphyxiation were Marvin Paul Bohon and Flora Wandless Bohon, his wife, and Mrs. Bohon's sister, Pearl Elizabeth Wandless.

Attorneys for the four small children of Bohons, Catherine Marie, Martha Rosalie, Alma Nadine and Marvin Junior Bohon, are Walter C. Capper and Thomas N. Berry of this city, and J. Pat Nichols of Parsons.

Attorneys for Anna Mae Wandless, administratrix of the estate of Flora Wandless Bohon, Marvin Paul Bohon and Pearl Elizabeth Wandless, are Thomas L. Richards and H. G. Shores.

The six suits, all practically similar, claimed four points: 1, that Feldstein knew that an unvented water heater, a hidden defect, was in the apartment where the persons died; 2, that Feldstein knew or should have known that this defective heater existed; 3, Feldstein installed the heater against the city building code, and 4, Feldstein was maintaining a private nuisance in allowing the unvented heater to remain on the premises.

The law firm of Gunter and Gephart, and W. Earle Cobey, defense attorneys, filed demurrers in Circuit Court to these four points.

Judge Harris sustained the demurrers in points one, two and four, but overruled the demurrer on point three.

This meant that the plaintiffs' lawyers could take the case to trial on the point that Feldstein was liable for damages as he did not conform to the city building code in the installation of the hot water heater.

But the plaintiffs' counsel took the opinions on the demurrers to the Court of Appeals.

The next step is for the plaintiffs' lawyers to reword the declarations and file the amended declarations in Circuit Court for a hearing.

PTA Will Elect Officers Sunday

Officers of SS. Peter and Paul School Parent-Teacher Association will be elected at the meeting Sunday at 3 p. m. in the SS. Peter and Paul Parish Hall.

Balloting will be conducted by Edward J. Milbrada, William Fisher, Mrs. Paul Stakem and Mrs. John Aaron.

The slate of nominations is: Mrs. George Miller, president; Norman Chirton and Charles Fields, vice president; Mrs. Herman Grabenstein Jr., recording secretary; Charles Azar and Ambrose Griffin, treasurer, and Mrs. Anne Whinn and Mrs. Joseph Mooney.

Classrooms will be opened at 2 p. m. for visits by the parents.

County Proposes To Reopen Flat Rock Bridge At Barton

The State Roads Commission is being requested by the Allegany County Board of Commissioners to turn over the Flat Rock Bridge at Barton to the county so that the structure can be reopened for residents of that area.

Commissioner Charles N. Wilkinson suggested the action be taken in view of the agreement by the Western Maryland Railway to allow reopening of the crossing at that point. There are only two trains daily which pass over the crossing and the railway said it would not go to the expense of installing flashing lights at the crossing.

Delegate Estel C. Kelley obtained passage of a resolution in the General Assembly calling for reopening of the bridge. The structure was closed more than 15 years ago when State Route 26, the Georges Creek Boulevard, was relocated.

A number of efforts to have the bridge reopened resulted in court cases in which the requests were denied. The litigation involved the fact that the crossing had been closed by agreement of the State

Roads Commission, federal government and the C&P Railroad, former owners of the rail line in that section.

The commissioners received an application from Irvin C. Alexander of Lonaconing for the position of county humane officer. Alexander said he understands that legislation providing for a humane officer was passed at the last session of the legislature.

The LaVale Sanitary Commission in a letter to the board asked approval of the appointment of Harry Kapfman as a member of the commission for a six-year period starting May 10. The letter was signed by Willard R. Engle, secretary-treasurer. Approval was given by the board.

Police Probe Vandalism At Scout Camp

Police are investigating vandalism and thefts at Camp Potomac, the Boy Scout camp just west of Oldtown on Easter Sunday, according to Cpl. William F. Baker, criminal investigator for the State Police here.

Cpl. Baker said the main building of the camp was broken into, the lock on a walk-in freezer broken off and a quantity of canned goods was taken. The vandals also took two .22 caliber rifles and a number of sets of bows and arrows from the building.

They then proceeded to several small cottages and health center of the campsite and broke into the buildings. They used the cooking utensils at the cottages to prepare the canned food.

Caswell Will Head Area Banking Group

George A. Caswell, vice president of the Second National Bank, was elected chairman of Group One of the Maryland Bankers Association at a meeting Thursday at the Ali Ghan Shrine Country Club.

Other officers for the Allegany-Garrett county organization elected were Charles J. Laughlin, cashier of the Citizens National Bank of Westernport, vice chairman, T. Victor Fier, vice president of the First National Bank, secretary-treasurer.

Caswell appointed Ralph M. Race, executive vice president of the Fidelity Savings Bank of Frostburg, as delegate to the Maryland Bankers Association convention in Atlantic City, N. J., May 21. Race is immediate past chairman of Group One.

Will Is Filed

The will of Charles William Raygor, city, was admitted to probate in Orphans Court yesterday.

Thomas Lohr Richards, local attorney, was named executor of the estate and posted bond of \$3,000. Eleven members of the family were named beneficiaries in the estate.

A Long Way To Go To Reduce Accidents

Schoolboysism.—Democrats were either too dumb to be tolerant to do anything about it, but the supposed New Dealer they kept in the Defense Department, Hersch Schooley, once ran as a Republican against Congressman Clarence Cannon, Democrat of Missouri . . . Not so tolerant is Mr. Schooley. He tried to oust Lee Hargus who once used the name of Sen. Carl Hayden, Arizona, as a character reference—despite the fact that Schooley once got the backing of Lyndon Johnson, the Democratic leader, to help his naval career . . . Schooley spreads himself all over the map. Born in Effingham, Ill., he belongs to the Texas Work State Society because he once worked in Abilene, is also active in the Missouri Alumni Association and brags that his mother's Newburgh, N. Y., home "was long-time Revolutionary headquarters of General George Washington." . . . It's a chummy world for Schooley, peopled by "Ike," "Charley" and "Shern." . . . As for the leaks that worry Charley Wilson, Pentagon newsmen will tell you: "Give Hersch a question requiring him to call topside. Then go out in the corridor. His voice is so loud that it carries through all office walls, and in a few minutes you know at least as much as he does. We never had it so good."

CCC Women's Invitational Golf Tourney Set For July 7-8

36-Hole Test To Mark Fifth Annual Event

Old Export Bowl Is Top Award; Handicap Limit Is Set At 25

In conjunction with the Cumberland Bicentennial Celebration, the Women's Golf Association of the Cumberland Country Club will hold its fifth invitational tournament on Thursday and Friday, July 7 and 8, it was announced last night by Mrs. G. William Bibby, publicity chairman.

This year's tournament will be a two-day 36-hole medal play affair instead of a one-day 16-hole test as was the setup the past four years.

Because of the large number of entries expected, the CCC Women's Golf Association is limiting entrance to players with handicaps of 25 and under. The handicaps are based on the five best scores for 1955.

The players will tee off on both days at 9 a. m.

Prize for low gross for the field will be the Old Export Bowl, a sterling silver punch bowl, which must be won three times for permanent possession. A smaller sterling silver replica of the bowl will be presented other winners (gross and net) as well as special prizes.

Miss Mary Ann Downey of Baltimore holds two legs on the Old Export Bowl, having won the tourney in 1953 and 1954. Mrs. John McCuskey, Clarksburg, W. Va., was the first winner in 1951 and Mrs. Nancy Bycott, of Wheeling, was the victor in 1952.

The CCC Women's Invitational Tournament is the biggest golf event of its kind in Western Maryland and usually attracts between 100 and 150 players from many states.

The deadline for entries in this year's event is Monday, July 5.

Capon Bridge Tops Deaf School, 14-7

ROMNEY, April 22 (AP)—Capon Bridge High School registered its fourth win in five starts in the P.V.C. by walloping the West Virginia School for the Deaf here today by the score of 14-7.

The loss was the fourth in a row for the Lions.

Clarence Saville got credit for the victory, his fourth against a single setback.

Coach Cliff Towles' swatmen gathered 11 safeties, McCauley pacing the assault with three blows while Saville, Shingleton and Davis garnered two each. The Lions were limited to five safeties. Box:

Pen-Mar Loop To Open 7th Year Sunday

Four Inaugural Day Games Set For 2:30

The Pen-Mar League, lone survivor of three sandlot circuits that operated in the tri-state area last season, will launch its seventh consecutive campaign tomorrow with games set for Flintstone, Hyndman, Barreille and Mt. Savage.

Last season the All-Stars Association and the Mountain Top League were the other loops that functioned in this area but they have folded to leave sandlot baseball with the smallest representation since the boom that followed the Second World War.

Seven of the eight clubs that were in the Pen-Mar League last season are back for another fling. The Flintstone Farmers, skipped by Charles Doyle, will replace Keyser Ridge.

Each club is scheduled to play 28 games and the regular season will end on August 27.

Opening games tomorrow, all set to start at 2:30 o'clock, are as follows:

Grantsville at Flintstone, Wellersburg at Hyndman, Zihlman at Barreille, Eckhart at Mt. Savage.

Here are the past winners in the Pen-Mar League:

The question of the hour, however, is how well Summer Tan has come back after a near-fatal illness which followed his victory in the richest of all races, the Garden State, last fall.

Summer Tan, hit by a blood clot, was given up for lost. Careful nursing, however, brought him back and he made his first start of the new year a few weeks ago and romped to an easy victory—although Nashua was not in the field.

The battle for third and fourth place between Fisher & Robinette and the Frostburg American Legion starts Thursday at Frostburg. This six game series winds up Friday night at Fisher & Robinette's Restaurant.

Boxer Pleads Guilty To Bribery Charge

NEW YORK, April 22 (AP)—Former heavyweight boxer Clarence Henry was disclosed today to have pleaded guilty two months ago to a charge of offering another fighter a \$15,000 bribe to throw a bout.

Henry, 27-year-old Negro who gave his home address as Philadelphia, entered the plea Feb. 23. He will be sentenced April 27 and could receive as much as five years in prison and \$10,000 fine.

There was no immediate explanation as to why Henry's guilty plea did not come to light until today.

He had been charged with offering the bribe to Irving (Bobby) Jones, an Oakland, Calif., middleweight, to lose his fight with Joey Giardello at Madison Square Garden last June 11. Jones lost the decision.

Nashua has never finished worse than second and has won nine of 11 races. Summer Tan has started 12 times, won six, was second four times, third once and ran out of the money just once.

Jerry Coleman Suffers Collar Bone Fracture

Yanks Lose Infielder Six To Eight Weeks

NEW YORK, April 22 (AP)—Jerry Coleman, second baseman of the New York Yankees, suffered a severe fracture of the left collar bone in the third inning of today's 3-0 victory over the Boston Red Sox and will be sidelined from six to eight weeks.

Coleman fell heavily on his left shoulder after being tagged during a rundown near home plate.

The injury was described as a comminuted multiple fracture of the left clavicle. Coleman was taken to Lenox Hill Hospital, where a cast was placed on the injury. He will remain there for several days, after which x-rays will be taken to determine the course of treatment.

Coleman, trapped between third and home during an attempted double steal, made a headlong dive for the plate and collided with Boston's Owen Friend, who was covering the plate. Gil McDougald took his place at second base.

Yankee trainer Gus Mauch said the injury was similar to the one suffered by Ted Williams of the Red Sox last year.

The close play at the plate, called by Umpire Babe Pinelli, brought a violent protest from the Dodgers that resulted in the ejection of usually even-tempered Walter Alton, the Brooks' soft-spoken manager.

The three-hour 10-minute struggle, witnessed by 27,297, was jammed with dramatic moments. At the very end, a racing catch by Willie Mays on Carl Furillo's short fly provided a thrilling final out.

Johnny Podres, the Dodgers' 22-year-old lefthander, appeared on his way to a shutout and the Brooks' 11th straight until he ran into trouble in the seventh. He escaped that jam with the bases loaded and two out when Davey Williams lined to Robinson.

But he couldn't wiggle loose in the eighth after he walked Al Dark on four straight balls, allowed a single by Mays and then passed Hank Thompson on a 3-2 pitch to jam the bases.

Don Mueller singled to center field, scoring both Dark and Mays to set the stage for Lockman's winner. The Giants' first baseman slammed a double to left that bounced past Sandy Amoros in left field as Thompson and Mueller raced home to send the Giants out front 4-3.

Attempting to nip Mueller at the plate, Zimmer's relay went through catcher Roy Campanella into the Dodger dugout, permitting Lockman to come all the way. That run proved decisive when a Dodger rally fell one run short in the eighth.

THE WOOD, while not a match race, sizes up to be one between Nashua and Summer Tan, who have met four times already. Nashua, winner of both the Flamingo and the Florida Derby this year, has trimmed Summer Tan, owned by Mrs. John Galbreath, three of the four times, all last season.

The question of the hour, however, is how well Summer Tan has come back after a near-fatal illness which followed his victory in the richest of all races, the Garden State, last fall.

Summer Tan, hit by a blood clot, was given up for lost. Careful nursing, however, brought him back and he made his first start of the new year a few weeks ago and romped to an easy victory—although Nashua was not in the field.

THE WOOD was to have pitted two ace jockey rivals against each other, too, but Eddie Arcaro's suspension has changed that. Arcaro, the regular rider on Nashua, won't come back to the saddle until May 4 and Nashua will be ridden by Ted Atkinson in the Wood. Summer Tan's jockey is Eric Guerin.

Nashua has never finished worse than second and has won nine of 11 races. Summer Tan has started 12 times, won six, was second four times, third once and ran out of the money just once.

Keyser High School copped the mile relay, the 12th and final event on the program, to nose out Allegany High School's thinclads in a dual track and field meet yesterday at Campobello by the score of 74-70.

Allegany was in front, 65-64, with one event remaining and Keyser captured it by a 10-5 margin and won the meet.

Coach John Shelton's team won seven of the 12 first places and four were shared by Amtower who took the mile run and broad jump and Wells who was first in the discus and shot put. Allen McGill won the 100 and 220 yard dashes for the Campers.

The summary:

100 DASH—1. McGill, Allegany. 2. Keyser. 3. Barker, Allegany. 4. Dyer, Allegany. Time—10.4 seconds.

HOLLYWOOD, April 22 (INS)—When I heard British Jimmy Wolfe would be here in two weeks to sign Ray Milland for the husband in "The Story of Esther Costello," I said to myself, "there's a brave man," meaning Ray, not Wolfe.

Of all the despicable characters of recent fiction this husband is the worst—victimizing a blind, deaf and dumb girl in a charity racket and blackmailing the wife who still loves him are two of his more endearing qualities.

But these bad boys have a way of turning into Oscars—which may be the reason Ray has decided to do it.

The Wolfe brothers and the

whole Romulus Company have been all this time getting "Esther" rolling. Now all they need are two women stars to get the best seller of a year ago off the ground.

Speaking of meanies, Barbara Hale, of all people, plays the unscrupulous wife and heartless woman in "The Houston Story" for Sam Katzman at Columbia.

Never before has Barbara played anything but sweetest and light roles, and in her private life she is so happily married to Bill Williams that she always says she's "dull copy."

However, she's delighted to go wicked in company with Lee J. Cobb and Edward Arnold in this story of modern Texas which will be shot mostly in Houston.

To lose a dear friend is to die a little. The heart of Hollywood is sad and my own deeply grieved over the death of Sam Israel, former newspaperman, former press agent, and at the time of his death, head of Universal-International publicity.

For many years, Sam, always smiling, always good natured, was part of my official family offering invaluable advice and suggestions for my radio show and attending our staff meetings. He was available any hour of the night or day.

when a story "broke" and nothing was too much trouble for him.

But, above all this, he was a gentle man, a kind, understanding friend, a gay companion. My deepest sympathy goes to his family and his devoted co-workers at U-I.

Sam Briskin has a great picture in "Strategic Air Command"—and one, my friends, that will make you sleep better nights knowing that this great branch of the Air Force is in wartime tempo prepared to defend this peaceful nation day and night.

The scenes of the giant aircraft zooming the skies on training runs on the wider Vistavision screen (64 feet wide and 35 feet high) are beyond description in majestic beauty.

Nor is the personal drama of baseball star, Jimmy Stewart, recalled to pilot service, and his wife, played by June Allyson, lost in the thrilling spectacle of the air. My congratulations to Paramount, to Sam, and to the entire cast of this fine production.

Radio And Television

Weaver Phantasmagoria

NBC has an elaborate plan to restore interest in radio. Starting June 12, the network will present "Monitor," a program that will start at 8 a.m. Saturday and continue "till midnight Sunday every weekend. The program will be a "kaleidoscopic phantasmagoria," according to Pat Weaver, president of NBC, a man whose prose style strenuously resists interpretation. "Monitor" will consist of—let's see now—news, sports, time and weather (every hour), comedy, drama, music, theater, sound track from films, records, top dance records, top dance bands around

the country, simulcasts from TV shows—if you happen to be in a car and want to catch Maurice Evans declaiming "Macbeth," for instance, —or—well, any other kaleidoscopic phantasmagoria that happens to occur to the people over there between now and June 12.

Weaver wants attentive listeners, not what he calls secondary listeners—those people who just leave the radio on all day and pay only dim attention. According to an NBC press release "Monitor" microphones will be equally at home in the White House or the dressing room of Sid Caesar. In other words, the mobility and speed of radio will be emphasized.

Naturally, this Weaver brain-storm is being done in a large way. NBC is constructing something called Radio Central at a cost of \$150,000. Radio Central is just a consolidation of all the news facilities over there so one man can pick up a remote newscast just by pushing a button. The show will be run by "communicators." (At least Weaver will call them "communicators." No one else will, including their own wives.) The communicators haven't been picked yet.

NBC now has a tape of the sort of things we are going to hear on "Monitor" and it sounds pretty good, though I'm not at all sure NBC can keep it up week after week. The tape begins with Dave Garroway announcing Naval Observatory time and calling off the seconds past the hour. Next Morgan Beatty chimes in with a little news—or rather headlines. Art Buchwald, who is "Monitor's" roving correspondent in Paris, does a clever little bit about the Germans as seen through the eyes of the French.

Next you get Groucho Marx, supposedly at a bar in Beverly Hills, singing "My beer is Rheingold, the dry beer." Then he remarks: "Imagine the patience of this brewery. A hundred and two brews before they found one that

satisfied. Can you imagine how lousy 37 must have been?" And in a trice we switch from a Beverly Hills saloon to one in Germany where everyone is singing (in German) something called "The Nicest Place Is at the Bar." And the next thing you know you're at the Lido, that elaborate tourist trap in Paris, with an announcer trying to describe all those lovely, naked girls in the floor show.

From Hollywood comes a brief commentary on the movie "Black-

board Jungle" and then there's an excerpt—a pretty exciting one—from the film. The next voice you hear is Ogden Nash, remarking: "People are very brave. People are the bravest things there are. People are composed of men and women and men are brave enough to marry women, and women are brave enough to marry men." And then he recited a poem about women's hats.

Card of Thanks

We desire to extend our heartfelt thanks to all who aided and comforted us in our recent sad bereavement, the death of our beloved husband and father, Robert Cook. Especially do we thank the pallbearers, those who donated the use of their cars for the funeral, those who sent floral tributes and the minister, Rev. C. F. Fritts, for his comforting words.

Mrs. Robert Cook and Betty.

Senator Kimble To Take Over New Job Monday

Will Take Oath For Interim Term Today

State Senator Robert B. Kimble, who has represented the citizens of Allegany County in the General Assembly for 23 years, will take the oath of office as chairman of the Maryland Department of Employment Security at a simple ceremony today shortly before noon in the Allegany County Court House.

Senator Kimble said last night he plans to go over to the courthouse at 11:30 a. m. and to be sworn in without fanfare a few minutes later.

He will not end his legislative career, which includes 21 years in the senate and two years in the House of Delegates, without witnesses, however.

Plans were being made by some of his close friends, it was learned, to be present to offer congratulations for his long service to this area, and to extend best wishes in his new position.

The oath will be administered by Joseph E. Boden, clerk of Allegany County Circuit Court.

Proud To Sign

Senator Kimble last night said he was writing his resignation as a state senator to Governor Theodore R. McKeldin, and that he will mail the letter today, so the governor will receive it on Monday.

He said he expected the governor within a few days to notify the Republican State Central Committee of Allegany County that a vacancy has occurred.

The receipt of this notice by James S. Getty, chairman, will enable the nine-member committee to proceed with official action toward naming a successor for Senator Kimble.

Getty said yesterday the committee already has on file about 12 applications and that if any further applications are made they will be received and considered.

File Applications
The committee did not disclose the names of the applicants which include, it said, "the majority" of the Allegany County Delegation.

Maryland laws do not specify how soon the Central Committee must make its recommendation, but the constitution says the governor must make the appointment with 15 days after it is received from the committee.

A committee spokesman said the group need not decide until the 1956 session begins. He did not imply, however, that such a delay is to be expected.

Senator Kimble pointed out there are factors which will make it necessary to make the appointment within a couple of weeks.

Senator Kimble said applications for notary public commissions are being received at the rate of two or three a week, and must be signed and endorsed by the senator of the county in which the applicant resides.

Delay in making the recommendation, he added, would hold up all of these appointments.

Up to 10 scholarships, he added, have not been awarded, since the colleges have not forwarded results of scholarship tests held March 26.

The senator said he had hoped to have until June 1 to wind up all such duties in the General Assembly but that Gov. McKeldin had urged him to take over his new duties as soon as possible.

Senator Kimble said the decision to take the Employment Security Board position was "the most difficult decision I had ever made."

Won't Lose Touch
"It has been a great honor," he said, to serve the citizens of Allegany County. He added he will always be grateful "for the honors they have given me."

"I shall not lose touch with Allegany County," he pledged.

Senator Kimble said he will take over his new job as head of the Employment Security Board Monday morning.

He said he will be there at 8:30 a. m., when the office force arrives, and will keep the same hours as employees in the department.

Winning Handicraft Exhibits

These exhibits were adjudged winners yesterday in the Arts and Crafts Show sponsored by the Cumberland Branch American Association of University Women and the Public Library, which will open Monday at noon. In the background is a hooked rug with

the design of Route 40 landmarks, by Mrs. J. Carter Shryock. In left foreground is a cherry wood lazy susan by Mrs. L. E. Erickson, who also made the ceramic birds at right. In center foreground are a towel and linen items woven by Mrs. Mary Brengle.

Jaycees Arrange Third Annual Teen Road-e-o

Local Competition Set For May 22

For the third successive year the Cumberland Junior Association of Commerce is sponsoring a Teenage Road-e-o to select the safest and most skillful young driver in Allegany County.

The contest will be conducted Sunday, May 22, on the A&P Parking Lot on Winewine Street. Fred C. Hill has been appointed general chairman by George L. Carney Jr., Jaycee president.

Hill is cooperating with Wilfred O. Hansen, state Jaycee Road-e-o chairman, who is in charge of the state contest.

Location, course and equipment committee chairman is Stanley Goodrich. Judging and scoring will be handled by Alvin H. Goodman.

Screening of entrants and decisions on eligibility will be handled by a Jaycee committee headed by Donald Workman.

Prizes for the winning entrants will be obtained by Ronald J. Screen, Thomas F. Conlon Jr. is publicity chairman. Conlon reported that the winners in the local contest will be eligible for the State Road-e-o June 11 in the Baltimore Stadium.

State winners will compete for \$3,000 in scholarships to be awarded at the national contest July 25 to 29 in Washington. Last year some 250,000 teen-agers took part in road-e-o contests in more than 1,000 towns and cities.

National rules permit any boy or girl who will not have reached his 20th birthday on July 29 to compete, whether still in high school or not.

Delay in making the recommendation, he added, would hold up all of these appointments.

Up to 10 scholarships, he added, have not been awarded, since the colleges have not forwarded results of scholarship tests held March 26.

The senator said he had hoped to have until June 1 to wind up all such duties in the General Assembly but that Gov. McKeldin had urged him to take over his new duties as soon as possible.

Senator Kimble said the decision to take the Employment Security Board position was "the most difficult decision I had ever made."

Won't Lose Touch
"It has been a great honor," he said, to serve the citizens of Allegany County. He added he will always be grateful "for the honors they have given me."

"I shall not lose touch with Allegany County," he pledged.

Senator Kimble said he will take over his new job as head of the Employment Security Board Monday morning.

He said he will be there at 8:30 a. m., when the office force arrives, and will keep the same hours as employees in the department.

Winners Named In Local Arts And Crafts Exhibit

Three winners were named yesterday in the Arts and Crafts Show sponsored by the Cumberland Branch American Association of University Women in cooperation with the Public Library.

The show will be open to the public from noon Monday until next Saturday, April 30.

Fast Time Starts Early On Sunday

Don't forget to move that clock forward an hour when you got to bed tonight.

Daylight saving time starts at 2 a. m. Sunday and will continue until September 25, the last Sunday in September. Much of the Tri-State area, but not all of it, will observe fast time.

Judge Refuses Sanity Hearing

An opinion refusing the petition of an inmate of Spring Grove State Hospital the right to a jury trial in Allegany County Circuit Court for the establishment of his sanity has been filed by Chief Judge George Henderson.

The handwritten petition was mailed to Judge Henderson recently by Dolph A. Salinger. In it the petitioner said he was committed to the hospital at Catonsville in November 1950 as being of unsound mind. In 1954 he was re-committed by order of the Superior Court of Baltimore City. He contends his mind now is sound.

In his opinion Judge Henderson quotes the opinion of the Baltimore judge who committed him that he was "a dangerous psychopath."

Judge Henderson cites the state law which provides that no one found not guilty of a crime by reason of insanity as was Salinger shall be released without the approval of a judge of the court in which the case was tried.

Pagenhardt Commends Cumberland Police

Police Chief R. Emmett Flynn yesterday received a letter from Stephen R. Pagenhardt, state's attorney of Garrett County, thanking him and the Cumberland Police Department for their "splendid cooperation" with Garrett County authorities.

The cooperation was in the apprehension of three youths who stole a 1954 model automobile in Garrett County. Pagenhardt notes that the youths were arrested here by Police Officers James Mason and James Morris.

Officers Mason and Morris testified Wednesday at the trial in Garrett County Circuit Court during which the three youths were convicted and sentenced.

Mrs. Hanst Places In 'Mrs. Maryland' Contest

HAGERSTOWN, April 22 (AP) — A pretty, blonde Hagerstown housewife tonight was crowned "Mrs. Maryland of 1955."

Sen. J. Glenn Beall placed the crown on the head of Mrs. Franklin Leiter Jr. after she was chosen over two other contestants in the state finals.

Runners-up were Mrs. Betty Johnson as "Mrs. Baltimore" and Mrs. Poly Johnson Hanst as "Mrs. Western Maryland."

The winner, mother of three children, will represent Maryland in the "Mrs. America" contest at Ellinor Village, Fla., May 9.

Artist Presents Shaw With Sketch Of Fort

Ross F. Shaw of Oldtown has been presented a pen and ink sketch of old Fort Cumberland, made by John C. Wenrich of Henrietta, N. Y., and formerly of here.

Wenrich said he reproduced the sketch from a picture of the fort which appears in Lowdermilk's history of Allegany County, and sent it to Shaw in appreciation for the Oldtown man's interest in history of the county and preservation of historical records and details.

Most GOP Solons Vote With Demos On Extra Session

W. Va. Legislature To Convene May 9

CHARLESTON, W. Va., April 22 (AP)—All but two of the 22 Republicans in the House of Delegates joined with 42 Democrats in signing the petitions for a special session of the Legislature.

The ratio in the Senate, as shown by figures today, was 12 Democrats and eight Republicans. Among the Senate's nine Republicans, only Senator Sayre (R-Jackson) was listed as a non-signer.

The non-signing Republicans in the House were Debs. Hersman of Roane and West of Wirt.

Acting on his own after a committee of legislators had presented their petitions, Gov. Marland called an extraordinary session of the Legislature to meet in Charleston May 9 to act primarily on teacher salary raises.

Meanwhile, House Speaker W. E. Flannery (D-Logan) reaffirmed his opposition to any increase in the 2 per cent consumer's sales tax as a means of footing the teacher salary bill.

He conceded, however, that "some increase appears inevitable" and pledged his cooperation with other legislative leaders in planning the session.

"I am against a raise in consumer's sales taxes as a matter of principle, after a long study of taxation," Flannery said, "and I will continue to oppose it."

The teacher raise is estimated to require seven million dollars in new tax revenues, with another million needed to extend Social Security coverage to teaching personnel, and still another million to cushion losses of state financial aid to 17 counties.

Experimental Oats Planted Near Midland

Extension agronomists from the University of Maryland this week completed an experimental planting of oats on the farm of C. O. Miller at Midland for the third successive year, according to County Agent Joseph M. Steger.

Steger said the agronomists, Charles Ellington and Joseph Newcomer, planted Clinton 59, the standard variety of oats, along with eight other experimental varieties. One of them is Craig-Pennsylvania, a new variety which the county agent said looks good.

Also planted are Clarion, Mindo, Ajax, Andrew, Clintate, Mohawk and Missouri 0205. Each year the yield from the experimental varieties is checked against the standard variety to determine whether it might be more profitable for farmers to change varieties.

Mechanic Attends Service School

Melvin Arnold, a mechanic at Spoer's Garage for the past six years, recently spent three days at the General Motors Training Center at Fairfax, Va.

Arnold, whose home is in Kitzmiller, studied advanced automotive service technique and selected especially the air conditioning course offered at the center.

Water Line Laid Across New Bridge

Water Department crews have strung the new Ridgeley water line across the new Cumberland-Ridgeley bridge at Riverside Park, according to Commissioner William J. Edwards.

He said the hookup has been completed on the Cumberland side but that the 10-inch line cannot be placed into service until the West Virginia approach to the bridge has been completed.

The new line will supply water to Ridgeley residents after the present Blue Bridge is razed during the course of the flood protection project.

NAACP Chapter To Meet Sunday

The Cumberland branch of the NAACP will start off its 1955 membership drive Sunday at 5 p. m. at a meeting in McKendree Methodist Church.

Speakers will include Mrs. Nellie Jackson, Baltimore, state president, and John Gordon, president of the local branch, according to John Wormack, executive secretary, who said plans call for getting 100 members.

Oakland Scene Of Woodmen's Convention

Five County Men Among Delegates

Five Allegany County men have been named to attend the district convention of the Woodmen of the World, April 29 and 30 in the Volunteer Fire Department Hall at Oakland.

Attending from Cumberland will be Vincent H. Borgman, 333 Mountain View Drive, an auditor; George E. Parker, 206 Wills Creek Avenue, national representative; and John C. German, Woodmen Building, alternate representative.

Wilson G. Sweeney and Stanley Turley, representing Camp No. 4 of Mt. Savage will also be delegates.

This is the annual session of the Maryland-West Virginia-Delaware-District of Columbia Head Camp of the Woodmen of the World. More than 75 delegates and officers representing some 11,000 Woodmen in West Virginia, Maryland, Delaware and the District of Columbia will attend.

Among the guests and speakers will be Farrar Newberry, president of the society, and Dr. Herbert B. Kennedy, vice president and medical director. Newberry will speak at the banquet on Friday evening and at the business session on Saturday.

Dr. Kennedy will make a dedicatory address Friday afternoon when a flag and flagpole will be presented to the Oakland Fire Company.

Climaxing the society's 65th anniversary membership campaign, a class of 65 new members will be initiated Friday night. A degree team, officers and drill company of Parkersburg will conduct the rites.

Plans for the anniversary celebration, June 6, and for its national convention in Los Angeles in July will be announced.

Carl R. Cain, Fairmont, (Md.) consul of the Head Camp, will preside. Other Head Camp officers who will take part in the program are Arthur W. Friend, Crellin, junior past head consul; Raymond R. Kesby, Hyattsville, adviser; Orin W. Mynes, Huntington, W. Va., banker; J. William Murray, Hagerstown, clerk; Albert S. King, Washington, escort; George S. Huffman, Princeton, W. Va., watchman, and S. Russell Wright, Friendsville, sentry.

Auditors are Andrew J. Brown, Washington, D.C.; Edwin L. Hoch Sr., Baltimore; Carlos E. Snyder, Parkersburg, W. Va.; R. M. Moran, Shinnston, W. Va.

Paul H. DeLawter, Washington, and E. A. Davis, Columbus, Ohio, are national representatives. Thurston G. Brown, Washington, and George E. Gentner, Hyattsville, are alternate representatives.

Failure To Stop Gets Cresaptown Driver 90 Days

A 90-day sentence in the County Jail was meted out to Elwood Mosby Faulkner, 21, of Cresaptown Thursday by Magistrate J. Milton Dick on a charge of failure to stop after an automobile accident involving property damage.

State Trooper Linwood Cook said Faulkner was driving his mother's car which rammed into the rear of a panel truck along McMullen Highway in Cresaptown Tuesday night causing about \$150 damage. The trooper said his investigation showed that Faulkner was the driver of the car involved in the crash. The youth surrendered to Trooper Cook Wednesday.

With Faulkner at the time of the accident were four juveniles. Two of them were found guilty of tampering with an automobile when it was revealed that they had taken license tags off another car and placed them on the Faulkner vehicle before the accident. The other two youngsters were acquitted.

The Weather

Yesterday was a lovely spring day with its usual threat of some showers. A few drops of rain fell early last night but not enough to measure. The official high at Constitution Park was 78. At 7:30 p. m. the reading was 67 degrees. The day's low was 50 degrees. Another day with a high around 80 is predicted for today. By late Sunday, showers and thunderstorms are anticipated.

Educators See Phone Exhibition

Representatives of the Chesapeake and Potomac Telephone Company yesterday conducted a demonstration of new dial telephones for the enlightenment of elementary school principals and supervisors in the Board of Education office.

Attending the demonstration were principals of the elementary schools in Cumberland, the three elementary school supervisors, Miss Jane Botsford, Miss Winifred Greene and Miss Mildred Willson, as well as Superintendent of Schools Ralph R. Webster.

The demonstrators were Howard McKenzie, Hagerstown traffic manager; Mrs. Mabel Clingan, dial chief operator of Frederick, and Mrs. Joan Morton, one of the local operators.

In their demonstration they used a big dial equipped with magnified sound. The sounds which the educators heard included the dial tone which must be heard before the phone user begins dialing, the ringing phone and the busy signal.

Yesterday's exhibition was in preparation for a series of classroom demonstrations which telephone company employees will begin Tuesday at Pennsylvania Avenue School. The demonstrations will be conducted for the sixth grade pupils in each school of the city first. Later they will visit the fifth grade classrooms and finally lower grades as long as time permits.

The demonstrators will take about 25 dial phones with them for use in the classrooms.

Del. Driscoll To Attend Legislative Council Meeting

Delegate Fred B. Driscoll received word yesterday that the first meeting of the Legislative Council since the recent General Assembly session will be held in the City Council Chamber, Baltimore, next Thursday at 7 p. m.

Del. Driscoll was appointed recently to represent Western Maryland on the Legislative Council, the group which carries on the business of the General Assembly between sessions.

At the session, the first since the Assembly closed, the legislators will receive a compilation of matters referred to it by the Assembly on bills presented by the Council to the Assembly.

Plans for the Council's work during the coming year will also be discussed, Del. Driscoll said.

Lough Head Of Flintstone FFA

Kenneth Lough was recently elected president of the Flintstone Future Farmers of America during an election conducted at the high school in that community.

Advisor of the group is Kenneth Malone, Vo-Ag teacher at Flintstone High School. Other officers for the coming year are Randall Mann, vice president; Teddy Robinson, secretary; Marlin Whitfield, treasurer; Coy Huffman, reporter; John Smith, sentinel.

Huffman was appointed parliamentarian by Malone following the election. On May 14 a joint Future Homemakers of America and FFA banquet will be held at the school auditorium.

The banquet, Malone added, will be a father-son, mother-daughter event.

Fayette Street Widened

City workmen are shown widening Fayette Street at St. Peter and Paul Parochial School. Several trees were taken down in strip at right so a shoulder could be added to the brick street, one block of

which is blocked off daily for a short time as a play area for the school children. The sidewalk area will not be affected. The project has been under way for several days.
